

BCU National Canoe Sprint Racing Regatta
The Inter-Club Trophy contested at this Regatta

Scoring System - This year to make the MacGregor Paddle "Point Scoring System" work when making any changes to your crews please complete the "CREW NOTIFICATION FORM" or "NOTIFICATION OF SCRATCHES FORM". These require paddler(s)' Ranking Class & **Registration Number EACH TIME** or they will not qualify for MacGregor points - only this new form will be accepted.

Under the following system most clubs should have an equal opportunity to achieve a winning score:

1. Each Club will automatically score 1 point for every paddler competing in the Inter Club Regatta.
2. Each Club will score 1 point for each promotion accredited to their paddlers during the three previous Regattas i.e. April, May, June of the same year.
3. The scoring at the Inter Club Regatta will be on the following basis:

Each Club will score its best	12	K1/C1 Results in all finals
	6	K2/C2 Results in all finals
	3	K4/C4 Results in all finals

Scores will be awarded, provided there are at least three crews participating, on the following basis:

1st	20 points
2nd	19 points
3rd	18 points....etc

Penalty points accrued by paddlers during the season's five regattas will be deducted from their team's score.

4. Notes:
 - a) Composite crews, with members from more than one Club, do not score.
 - b) At least 50% of the crew must be registered in the class in which they are racing.
 i.e. 2 paddlers K4 and 1 paddler K2. Crews may be made up with paddlers from a lower ability group with the following exceptions:
 - i) Men may not paddle in Women's races.
 - ii) Boys may not paddle in Girls races.
 - iii) Seniors may not paddle in Junior races.
 - c) No one may enter any singles class other than their designated class as shown on the Registration File.

Team Leaders - This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 4:00pm on Saturday. Failure to pay on time will incur a £20 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

Qualification for finals - Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A, Canoe A, Boys & Girls A Classes which are based on place) will be based on times.

Saturday

8am at Team Leaders Meeting

FINAL

Wanted - Please helpers to assist in the running of these national regatta competitions

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

**Dates 2011**

16th & 17th April
 7th & 8th May
 4th & 5th June
 16th & 17th July *
 10th & 11th September

BCU Sprint Racing's Annual Consultative Meeting will be held at Nottingham's National Water Sport Centre **Saturday 4th September 2010** and one hour after the last race of the first day.

The usual format has been changed; the Annual Trophies will not be presented at the start of the meeting, they will be presented on **Sunday at 1.00pm**, bottom of the Tower, along with the July Regatta Junior Promotion certificates.

Sunday - Timetable

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

Qualification for finals - Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A, Boys A, Girls A Classes and based on place) will be based on times.
